Dear Colleague

Re: County Championships 2009

The Entry Pack and Forms are all in the same workbook and will be on the Suffolk Web Site in Excel Format and PDF for downloading.

NEW FOR 2009 ENTRIES:

Club Co-ordinators should complete the entries for their Club on the Consolidated Entry Excel Spreadsheet Form (30 swimmers per sheet) that is the last sheet in the workbook and forward this to us electronically. You will note it does calculate the number of entries and charge as you put them in. **PLEASE KEEP YOUR OWN INDIVIDUAL ENTRY FORMS FOR YOUR OWN REFERENCE.**

Special Note: For those Club's using Corgi Ranx Software, you will be able to forward us a Batch Entry that can be automatically downloaded into the competition.

If you have any queries, e-mails only please.

Bernie & Vicki
