

Suffolk County – Records Report

Having now completed my first full year as the Records Officer, I am pleased to show you the great improvement the county's swimmers have made this year:

Records ratified by the County	Short Course	Long Course	
January 2009	15	24	
July 2009	38	41	
September 2009	0	15	
December 2009 (to be ratified)	38	2	
	TOTAL	91	82 = 173

Breakdown of Clubs breaking Records	Girls	Boys	
St Felix School SC	88	2	
Team Ipswich SC	16	57	
Lowestoft & Oulton Broad SC	2	5	
Stowmarket SC		3	
	TOTAL	106	67 = 173

I would like to congratulate all those breaking records, especially with the high number of very old records being broken, however, I would like to advise the County that I have been unable to issue certificates as I still do not have a template/disc to print them from. If this could be passed on to me, I will try to arrange for certificates to be printed.
