

SUFFOLK COUNTY ASA  
**MASTERS REPORT – 27<sup>th</sup> June 2009**

Nothing much to report unfortunately as the 1<sup>st</sup> half of the year seems to be reasonably quiet on the Masters front.

We have a regional meeting on Sat 5<sup>th</sup> July which I will report on at the next meeting.

Just to remind clubs that any master swimmer they have over 25 will be entered in the decathlon. This is easily accessible via British Swimming. It's a great innovation that keeps me entertained.

I am also starting to work out my team a strategy to retain the Inter county trophy.
