

**SUFFOLK COUNTY ASA
CHAMPIONSHIPS REPORT - JUNE 2008**

- Firstly, congratulations to Ian & Jo for an excellent Championships last weekend
- Apologies to everybody for the non-delivery of medals which was an administrative 'cock up' and was only picked up on Friday when prompted by Jo, we rang Shire Trophies and discovered the order had not been processed. They were ordered in late September but only as a sub-section to an e-mail
- They are ordered now and will be distributed asap
- The March QT's have been revised following an error with the 400 IM times and the main changes are finals for 50m & 100m individual age groups and the 200 IM
- The pool is booked for the whole day on the last Sunday and the schedule for that day will be all relays plus the skins
- Licensing has been applied for both the 800 & 1500 and the March Championships on May 20th 2008 but not showing on the web site as yet
- Working on the schedule of events currently
- Looking to use Goggle Box for the swim shop
- Thoughts needed on our successor. Ideally the person / persons should really be appointed at the AGM because November 2009 will be too late

Bernie & Vicki Buck
