

TEAM MANAGER'S REPORT

I have selected the team to represent Suffolk at the East Region Inter County Gala on 5th July at Hatfield. Hopefully we will retain the trophy we won last year and I know the swimmers selected will give it their all. I have sent a list of all selected swimmers to Paul Murray who will be put it on the web site.

I will submit a report on the gala after the event and notify the East Anglian Daily times of the results.

I have also finalised arrangements for the Inter County Gala in October at Sheffield. The coach and hotel are booked and team selection will take place at the beginning of September.
