

Suffolk Presidents Report

Where to start? What a couple of years everyone has faced, but you should be so proud of how most have coped and come through one of the most challenging times in years. My role within the County, although spread over two years, it has been very limited and in fact only involved one County Championships and unfortunately no other event.

I am very honored to have been asked and am happy to pass on the chain to Podge. Hopefully he will be able to experience the full role, as things start to get back to some form of normal, and enjoy the fantastic sport we all enjoy.

I would like to thank everyone from the Management and Executive Committees, Club Reps, Coaches, Parents and especially the Swimmers for their resilience and endeavor to get Clubs back in the pool. I am sure there will be a few more “hiccups” along the way but WELL DONE everyone.

I wish everyone all the very best for the 2022 season and I am sure to see you all poolside at some point.
