### Championship Secretary Report

November 2022

It was a pleasure to be able to run the Championships this year after the upheaval of the last few years! Even with the seating at 65% capacity, Crown Pools seemed busy with swimmers and the streaming was a popular addition.

After Qualifying Times were circulated earlier this year, a few amendments were made to allow for swimmers still not having fully recovered to pre-pandemic levels.

Running the Development Meet with the starting blocks at the deep end has allowed for us to look at new arrangements that may need to be put in place. It is proposed to have spectators pre-booked, with allocations made to clubs in proportion to the number of swimmers they have entered.

Dates have already been circulated and Crown Pools has been booked.

Entry packs will be available to clubs shortly. The closing date for long distance entries is 16<sup>th</sup> December (mid-day); all other entries (including relays) should be submitted by 31<sup>st</sup> December.
