

Swim England Suffolk
Championship Secretary Report

November 2023

As always, it is a pleasure a privilege to be able to run County Championships for the benefit of swimmers.

Consultations with coaches allowed the Qualifying Times to be published over the summer. These times have been set to recognise where there are groups within the county where numbers are lower and also those where we are fortunate to have many swimmers.

Dates for 2024 have already been circulated and Crown Pools has been booked.

Entry packs will be available to clubs shortly. The closing date for long distance entries is 15th December (mid-day); all other entries (including relays) should be submitted by 31st December. It is hoped that we will be able to offer on-line entries this year.

Sarah Elmer
Championship Secretary
