7. AOB:

SC mentioned that the online Level 1 and Timekeeper officials courses can be accessed via the East Region website. We will look to place a link on the County website.

DR asked what was proposed regarding the formal presentation of the County/Regional award winners. IC confirmed that this will take place during the County Champs.

IC referred to the note that he had produced regarding independent coaches and camps. The County has no jurisdiction in this area but it is hoped that the information in the note will be of help to clubs. TP mentioned that the change in Swim England membership categories makes control a little more difficult as Swim England members will not need to be associated with any particular club. Further advice to be obtained from Swim England.

Meeting dates will be circulated with the minutes. They will be held in January, March, June/July, and September 2022.
